

**Remarks**

In the Office's Final Official Action, the Office indicated that claim 11 was allowable but still proffered rejections for claims 1-10 and 12-20. Although the applicants disagree with the Office's position regarding the rejected claims, the applicants have elected to cancel the rejected claims at this time, without prejudice, in order to gain issuance of claim 11. The applicants reserve the right to submit the canceled claims in a continuation application.

***Allowable Subject Matter***

The applicant thanks the Office for allowing claim 11.

**Conclusion**

Applicant respectfully submits that the currently pending claims are in condition for allowance and respectfully requests that the case be processed to issuance. If the Office has any questions or if there are any actions that can be handled through an Examiner's Amendment, the applicant requests the Office to contact the attorney of record using the below-provided contact information.

Respectfully submitted,
